Les, you will always be my angel! jay dee, thank you for being such a great husband to her and taking very good care of her all these years! you are an amazing man because you and Jake are the reason for her smile and why she loved life the way she did! Jake, she bragged on you all the time and was so proud of the accomplishments you are making in your life! and i know you will continue with your college and your future career. and she will be there with you all the way as she always will! i love you both and i feel your pain...i just pray everyday for God to give us all comfort and peace in knowing that we WILL see her again one day...until then....RIP Leslie...my sister, my angel!

“ Leslie was such an amazing woman, kind hearted, giving, and loving to all. I can still remember the talks we had in class about love, and life. She was wise beyond her years at 17 yrs of age. I know it will be a long hard road for JD and Jake but just remember she lives on in the hearts of many and there are a great deal of people that will carry the wonderful impact she had on their lives with them for the rest of theirs. My thoughts go out to you in your time of grief.
