“ Mitzie - Where to begin? It is a rare friendship we have. We have been through so much TOGETHER and our lives have been through so much that we weren't even aware of through the years. Yet, we know somewhere deep inside that we will always be there for each other when/if needed. I hope you know that as I do. Please, please call on me whenever you need me. I don't even think you have my cell #, nor do I have yours. But, we will always find each other when needed! I love you like a sister. I loved John like a brother. I will NEVER forget him. Love you, Vicki

“ Mitzie, Kendra and Kristen--- Growing up being so close to your family there were times when I felt like a part of it. Its hard for me to accept the fact that he is gone and I cannot imagine what you all are going through. It is going to be a hard time for you all, but rest in knowing he is in a better place looking down on you and know that you have many people that love you and are thinking of you in your time of need, including me. I love you all so much and I really need to try to get down there to visit yall--its been way to long. God Bless you in this time of sorrow. With love always-- Julie
