“ John was a good friend & classmate to both Mike & I at Dibble. We always enjoyed hanging out with him. His laughter, his smile and love for life were obvious. Our hearts are heavy to learn of his death. May his family, friends, loved ones, and communities remember him with fondness. Our hearts and prayers are extended to his family. God bless you, John.

“ John was a good friend starting with our days working at HDF in Oklahoma City to the present. He was always with a smile on his face and a joke on his tongue. When I was in Big Spring, TX one day and out of a job, what do I hear but air brakes in the street in front of my house. It was John coming by to show me how to drive a truck. Off we went to California. That was how he lived. He has a place in our hearts and will be missed dearly. John, enjoy driving God's truck up there. We'll see you when it's our time.
