“ My deepest condolences to Johnny’s family, classmates, and friends. Back in 1973-1974 school year, I dated Johnny for a short period of time. I got a lot of ribbing dating someone from Lindsay since in sports Lindsay and Pauls Valley were rivalries! He took me to my first concert- Doobie Brothers. Johnny never met a stranger and mothers of the girls he dated loved him because he did not mind chatting with moms while his date was getting ready. In fact, he talked so long with my mom... til 9:30pm.. mind you my curfew on dates was no later than 10 or sometimes 10:30pm ... I asked them both ... are WE going out or not? Many fond memories of Johnny. I was sad to just now find out he had passed. RIP Johnny Webb

“ Johnny was one of a handful that I could call a friend, and for that reason I can say Thanks Johnny for being there for Me, God's got a good right hand now to keep the good work going, May God Bless His Family and all the friends back home in Lindsay.

“ I thought the world of Johnny. There are very few people in this world any kinder & as thoughtful of others. I asked him one day while we were working together, if his illness scared him & he said not really. I said it would be normal to be so. He then said I just don't want anyone worrying about me. He was then thinking more of others than himself. Typical of Johnny.

“ Johnny was our son's first little league coach and what a coach he was! He never raised his voice to the boys or even when he protested a bad call from the ump. He taught those boys more than baseball...kindness,gentleness, and fairness. We thank God that he was part of our son's upbringing. Each life that was touched by Johnny was blessed. May the Lord bless and give each of you comfort during this difficult time.

“ I haven't known Johnny all that long, but Steve & Dick have told me so many stories about him. He always had a joke to tell, with a smile on his face. I got to know him better during football this past season...he was always there to cheer Kolby and the Leopards on, even when he was sick. I could tell he was the best dad ever and I know Kolby and Stacy will miss him like crazy! Just know he is no longer in pain and he is watching down on all of you.

Heaven has a wonderful man who is laughing and telling jokes.

God Bless,

Love, Carla Abram

“ I love you all so much. I will never forget Johnny and his wonderful Wide Mouth Frog story. He always made me laugh, and it was always such a joy to see him during the holidays and family gatherings. He really blessed my children's lives and they had such funny stories to tell when they came back from Webb family vacations with him. I am so sad that it was time for him to leave this earth, I know he is in a better place, and no longer in pain, and I know he will be watching Kolby graduate in May as we all will. I'm so sorry I cannot be at the funeral, but I am praying, and will continue to pray for you all and will be thinking of you tomorrow.

Love, Carol

“ Johnny will be missed by many friends and family. He always had a great story and I never heard him say anything bad about anyone. To know Johnny was a blessing. Knowing he had a personal relationship with the Lord gives peace and hope to all who knew Johnny. My prayers are with the family.

“ Our thoughts and prayers are with Kolby and the entire Webb family. Johnny will be so missed by everyone at Weatherford. He was first hired as only a truck driver and became much more than just an employee to many of us that worked with him. He was such a joy to be around. He always had a joke or story to tell and a smile to share. We each have special memories about Johnny that we will treasure forever. His absence leaves an enormous void in the hearts of the Weatherford family.

“ I can remember Johnnie as far back as little league baseball, then boy scouts, and later a Lindsay Leopard. As Jay pointed out, I never heard Johnnie put anyone down. He had a huge heart, which speaks highly of his raisin'... To the family, I'm sorry for your loss, but it's heaven's gain... Thank you Lord, for sending the Johnnie Webbs into this world!

“ I will never forget Johnny. Even back in our high school days, when we would all pile together in a vehicle and go to the \$1.00 drive inn north of Lindsay. Johnny, Mike Thomas, and my brother Dick all had good times together, even when they would pick a fight with someone, and then come and tell me and want me to finish it. I will always remeber Johnny's smile and laugh. I cannot remember a time that Johnny didn't have a story to tell, or a joke. Johnny knew that my wife Carla and myself rode Harleys. When Johnny brought his motorcycle home we were standing out on the drive, and around the corner was Johnny on his motorcycle with the biggest smile ever. Johnny; you a very dear to my heart and will be missed by many, but we all know you are in heaven and telling jokes, stories. Cannot wait to see you again to catch up.

“ To the Webb family...Johnny was one of a kind. Right before I was born, he called and informed my dad that he would be my Godfather! Ever since then he was that and then some! He did way too much for me and my sister. My Dad and Mom named me after Johnny by giving me the middle name Rae. I will never forget the sound of his voice and all of his funny tales. There will always be a special place in my heart for Johnny Ray Webb. My husband wanted me to add that even though he only met Johnny a couple times he felt like he knew him a lifetime. January 11th will not only be my birthday from this year forward but also the day Johnny went to his big party in Heaven! We love you Johnny and we know you are with us in spirit every day. xoxo
