“ Delbert and Rita...I too am sorry to hear about your dad...he was another of the great ones I would see on Jr's houses along with Dad, James, John Henry, Archie, Jack...they were all good men, hard workers, and set a good example for the next generations to come. The word lazy didn't appear in their vocabulary. Like Floyd, they were all men of their word, and you could take what they said to the bank..when they walked away from a job, they didn't mind putting their signature on it, taking pride in what they did. Treasure the memories, and may God comfort you now and in the days to come.....Glen Fox
