“ We would like to thank you for your son. His life impacted ours, in a desperate time for us, he suddenly appeared one day in all places but up on our roof. You may not know us, however he was a welcomed part of our family. He showed what he was made of when he voluntarily came to help when our roof had to be replaced. Then when my husband fell off and had to be rushed to Norman via ambulance, he he was one of several, that jumped in. Unsolicited, without a expectation of getting anything, to help us. He showed us something that is rarer and rarer these days- caring for friends and even strangers.. You raised a good young man who knew what friendship meant. He gave us hope and a few laughs in that stressful time.. and now in his honor.. when we see a need we will pay his kindness forward. Just as he did for us. Prayers for you all. Thank you again..

“ Sweet Josh.. You're absence is unbearable. We were so close so long ago and even though time has separated us, I still feel the laughter, the meaningful hugs and hand holdings we shared when we were younger, and definitely the memories of your smile. I love you and will see you again one day.
