“ What can I say about Karen? She was one unique lady in everything she was and did. And yes that LAUGH! I never was around her that she was not the most bubbly laughing person in the room. Katrina,Zach my heart hurts for you. I know the pain you must feel. I heard someone say once that God takes the best. Karen was. She gave me my first daughter to love and thru her my grandson. And Karen loved my son and he loved her. I hate that you have to suffer something like this. My prayers are continually with you. I love you. And Kalena my prayers are with you and your family. Your Mom loved her family.
