

## Kay Rone

January 6, 1954 - March 8, 2014

Kay Rone of Lindsay, OK joined her mother, Anna Mae and father, Augustus O'Neal in heaven on March 8, 2014. Born in Muskogee, Oklahoma on January 6, 1954, she later moved to Oklahoma City, where she met the love of her life. Robert and Kay were married on St. Patrick's Day, March 17, during her senior spring break in 1971. They moved to Lindsay, Oklahoma in 1972.

Kay worked at Storm Fishing Lures, as a seamstress, a Tupperware Consultant and a homemaker. In 1996, she graduated from OKCCC. Obtaining her registered nursing license, she soon began working at Grady Memorial Hospital in Chickasha, OK. They say, "An old nurse never dies, they just lose their patience".

When my brother, Shawn, and I started to write out our mother's obituary, we thought, "why wasn't this already written? she always had to have the last word". Everyone always says, "It wasn't their time" when a person dies. It was not her time, so let's hope her visit to you is a positive one. She always said she would come back to haunt us, so just remember Mom, you loved us with a love so unconditional that you taught us to love others. Please don't keep the grandkids up at night working your graveyard shift. Be the ghost nurse who wakes up their patients every hour to check vitals. Be the ghost that smells of peanut butter cookies or peppermint candy. Be the ghost that

turns the coffee pot on and off. Be the ghost that sews extra fabric onto Destiny, Alexis, Madison, Kayla and Bailey's shorts when they are too short. Be the ghost that guides us to the winning slot machine at any given casino. Be the ghost that catches the fish when Camron and Gavin are fishing.

If this strikes you as odd; then, you didn't know this wife, sister, aunt, mother, nana, nurse and friend as she will always be remembered as our butterfly angel. Welcome to heaven, Mom, where the wait staff will never put ice in your iced tea.

Kay is survived by her husband Robert Rone, one son, Shawn Rone and wife Mandy, one daughter, Amanda Cornelius and husband Brad, three brothers and seven grandchildren. She was preceded in death by her parents, one sister and two brothers.

Funeral services for Mrs. Kay Rone are set for two o'clock p.m. on Thursday, March 13, 2014 at B. G. Boydston Funeral Home Chapel, located at 308 S.W. 3rd Street in Lindsay, Oklahoma. Interment will follow at Green Hill Cemetery in Lindsay, Oklahoma. Services are under the direction of B. G. Boydston Funeral Home of Lindsay. “ Kay was a wonderful friend, and woman. I will miss her very much. I am so thankful that Kay and Robert have been so good to Mandy. They welcomed her into the family with open arms. Kay always thought of Mandy as her own daughter, as also does Robert. My heart is deeply saddened by her passing. I loved her dearly.

“ I worked with Kay for many years at Grady Memorial Hospital, she was a very caring nurse. She was always doting over her grandchildren. She had a ready smile even when you knew she was in pain. Heaven just got a great nurse.

“ My Heart goes out to the Family and Friends of such a wonderful person. The obit was Heart felt and carry those memories with you throughout life. Looks as though God needed a special person within his Kingdom and for whatever the reason we have to entrust in him. All of use will follow the path to the unknown and faith will carry use through.

“ I was blessed to have worked with Kay at Grady Memorial Hospital for several years. Of course since she worked nights, she would often give me report as I was coming on for the day shift. Several things I recall about Kay, she always had her little work box that had pictures of all her grand kids on it. Her family was her world. She was never in a hurry and she always had a smile. Prayers to the family and just be comforted by the fact that we will all see her again someday. God Bless :-)

“ So thankful for this wonderful woman who first inspired me to study nursing. I will always be extremely thankful for last fall when I got to spend time with her, and really get to KNOW her. We had a million laughs, lots of late night talks (Sorry Uncle Steve!), and give me a whole new appreciation for the Aunt I had known my whole life. All my love!
