“ Another great man gone!! Kermit and Trula ran a Jam Session every Friday at Casa del Sol for many years! Musicians from all over loved to play at Casa as Kermit made each and every week special! And Trula and her crew made sure special decorations graced every place on that stage each and every week as well as “special goodies” for the Musicians and public each break! They also honored the couples who celebrated 50 years of marriage each and every year with a special party and gifts and entertainment- Casa was well known for the number of celebrants each and every year! Kermit was also instrumental in seeing the most talented of musicians were recognized in the Western Music Hall of Fame! He was diligent in getting the proper recognition for each and every entertainer - and they all loved him for it!!!! He helped Bob Dolle and group put on the “Bob Wills Concert” each and every year for more than a decade! He loved to dance and was responsible for holding the dances at Casa for many years including a blowout New Years Eve celebration each and every year including champagne at midnight even!!! Each week he kept a list of every entertainer and knew each and every one by name!! His lists were famous!! A diary to many years of fun and memories!!! He also ran the financial part of the volunteer groups at Casa - keeping meticulous records of monies. This helped Casa have many more comforts such as good seating with plenty of chairs and tables; a fully run library; sewing room; card rooms and More! A humble Veteran who ALWAYS made sure each and every Veteran was recognized each and every Jam! Plus always made sure a religious tribute finished each Jam session. Truly loved God and Country!!!! He will be missed by many!!

He always had the heart for Bradley and all the Bradley kids who grew up there. I am out of town with Covid but there in spirit and thoughts. Rest In Peace and know you made a huge difference in many kids lives. Love you - Mary Rodgers Dimmitt. Just one of the Rodgers kids*
