“ Dear Gaye,

I am so sorry for your loss. I met your mother several times and she was always very sweet and friendly to me. My girls got to spend time with her in the summers when she was watching Bethany and Jay. She was a good grandmother and I loved hearing stories about her beloved little dog. She was a blessing to your family and will be missed by all of us.

“ Gaye, Jay and Bethany, I am so sorry about your mother and grandma. She was a very classy lady with a big heart. Kerry loved my kids and always made it a point to tell us she loved us. I will always remember her smile when she said,I am going to Gaye's for the week. Then she came back saying,Oh, those grandkids are wonderful, but they have me wore out...then she would laugh. We love you guys and will miss Kerry just as you guys will miss her. Prayers are with you all at this time.

“ Matthew 5:4

God blesses those who mourn, for they will be comforted.

I am so glad that I was able to visit with your mother last summer. I wish we would have been able to journey through the past with her, as we had planned. It would have been a good time. She left way too early, but we never know our time. Gaye u know my heart is so much with you. I know this has to be the hardest thing you have ever had to go through. I love u ~ Darla
