“ Lee has been my best friend for the last 15 or so years. We talked every week even though we lived in different states. We made an impression on each other the first time we met...at the Rock Shop of course! I have to agree with Lee, our friendship was a gift from God. I will miss her but I know we will meet again. I thank her children for the loving and tireless care they gave Lee in her time of need and their unselfish response to her friends as well.

“ Lee was a dear friend and inspiration. She helped me get my own rock shop set-up and encouraged me to learn more. I loved visiting with her. My trips to see her always lasted for hours. I will miss her and her knowledge.

“ Jean Walker and I would go to Lee's Rock shop not just as customers, but to visit a very dear friend. We always appreciated the way she shared her incredible knowledge of rocks and crystals with us.

Our thoughts and prayers are with her and her family.

We will miss her.
