“ Aunt Linda was An amazing person. She had a kind heart and she loved deep. Her love of animals was a love that never ended. When the cold weather would come that was her biggest concern. She was worried about the stray/homeless animals. She loved her dog “Chanler “ just as any mother would love their child. Even in my darkest days she never lost faith in me and always believe in me. I’m sure gonna miss her calling and sayin “ Mist what are you doing “?
