“ WE were so glad to see Lloyd at our 50th Class Reunion (Class of 1956) with his beautiful daughter, Donna. I had not seen him since graduation. He seemed to have such a great time with his old buddies. God's blessings to his family.

“ Pat and family, how sad I was to hear of Lloyd's passing. He was always so kind with a great sense of humor, and he was a great example of a Christian man for me. He touched me deeply with his words at my dad's funeral three years ago. I've not kept in contact with you, but we share a special connection, a bond from a loss we shared 29 years ago last month. Not a day has gone by since that I don't think of Danny and pray for each of you. I'm so very sorry that I'm not able to be there with you on this day, but you are in my thoughts and my prayers, and I hold you close to my heart.

Lloyd was a fun and funny person to know. We are proud to call him our friend. He did love his family dearly that was obvious. He will certainly be missed by all. God bless you guys.

“ Pat & Family,

I didn't know Lloyd well as I was a child when he worked with my dad, Charlie Vernon, at Otis. My dad affectionately refers to Lloyd as Colonel and has always had good things to say about his character. During Lloyd's recent hospital stay he was my husbands room mate and while everyone was concerned about him and if he had everything he needed all he wanted to know was how you were doing. What a special man and I wish I had known him better. Our thoughts and prayers are with you.

Sincerely,

Darin & Kerrie Johnston
