“ We will surely miss our very good friend and neighbor. Lorene was always happy to have afternoon coffee and we had many wonderful conversations. Lorene taught me to make biscuits from scratch, and real sausage gravy. She was always determined to give her best, and work hard, never giving up. She offered her friendship in the begining, and was a part of our family in the end. We will miss her fun loving spirit, and wisdom. We love her, and are very happy for her. Please know that you are in our prayers, and feel free to contact us if you need anything.

“ I will miss Lorene. I am glad that she is with God. Lorene was very nice to me. She played ball with me, and always gave me a soda when I came over. She also gave me lots of chocolate kisses, and real ones too. Love, Madison
