“ My deepest condolences to your family for the losses of your love one. The death of loved one is the most difficult thing that we have to deal with. Jehovah God understands the pain that we go through when we lose our loved one in death. These are the promises that he has given to us at John 5:28,29 &quot;Do not be amazed at this for the hour is coming in which all in memorial tombs will hear his voice.&quot; What a great future we have to look forward to, when we will be able to see our dear love one again whom we have loss in death. May these words from the scriptures comfort and strength your family during this very sad and difficult time you mourn the loss of your love one. For more info about this wonderful promise please to [jw.org](http://jw.org).
