“ Hi Debbie... I had Lyndal listed for a couple of items in my will and would like to transfer them to the 3 kids. It is not much, but I need full names and current addresses to do so. At this point, designations are only to Lyndal and not his heirs. Thanks. Debbie.... Lyndal was so important to me as a friend. I always knew he would not be right for me beyond friendship and I was thrilled that he found you. I remember when he told me about you... he really was proud. You are younger and I admire you so much for what you were able to give him. I do so hope you found someone right for you. Whatever... I am so impressed with Sheri and Keith then Kyle. I loved Lyndal mightily, but I'm convinced it was you who raised them to be the great kids they are... bless your heart. Lyndal always kept our crowd together when we were in school. It was so fulfilling that he brought a group of us back once we got to the old fart stage. Let me know... gayle_noe@yahoo.com
