“ If it hadn't been for Marilyn I would have never made it following Doreen's shoes at the Tag Agency. We had such a great time. She was wonderful to work with and a very dear friend. I didn't know that she had been sick. I am so very sorry for your loss. May God give all of you the comfort you are needing. May the memories of her give you peace.

“ Michael & Laura,  
  
So sorry for your loss. Mike, your Mom & Dad showed me how to unlock the fuel tank on new truck one day-if not for them I would have been stranded! I know you have lots of great memories that will help you during this sad time.
