“ We are so sorry for your loss. Your son/dad/brother/uncle was a wonderful man and father, who always wanted the best for all of you and put his family first. A wise man once told me: Nothing you love is lost. Not really. Things, people - they always go away, sooner or later. You can't hold them forever, any more that you can hold moonlight. But if they've touched you, if they're inside of you, then they're still yours. The only things you ever really have are the ones you hold inside your heart.. Mark Gosnell is inside each of your hearts..there he will reside for eternity. He will never be forgotten.

“ Travis, Tyler and Kayla,..again my family and I send our condolences. I thought your dad was a good man. I enjoyed visiting with all of you when you were growing up, and will always miss him. Even though I was gone all the time overseas and elsewhere, you were always in my thoughts. You three were, are, and still are in my family's thoughts. I do know I would like very much for us to remain in contact. If you need to talk to someone, please call me. I will listen and you have always and are always welcome in my home. I have always wanted the best for you and if I can help you in any way, do not hesitate to call.

Love your Uncle,
