“ *My favorite memories was coming out to the farm and working the colts and laughing about some of the crazy things that the new colts and fillies would do. Also I remember Aspen Threads and all the great things Skeeter made and when she got her big embroidery machine how excited she was! So many memories!!❤️*

“ *My favorite memories were coming to Oklahoma to be with you, Molly, and Angie. You taught me how to be a ranch hand, herd cattle, fish, drive the ranch truck (and suffer whiplash through it all), and ride horses. You taught a city girl a lot more than I ever thought I'd learn. I'll miss you Aunt Mary, thank you for being you.*

“ Mary,  
We had many great times as kids in LaMoille II at Grandpa & Grandma's house. We rode our horses and ponies, helped Grandpa do chores at Hensel's. I was always excited when you came for the summer. Ride the range in Heaven Mary and I'll see you when the sun goes down. I love you Cousin❤️
