“ We are so sad to hear about Mary. We lived on the corner just West of Paul & Mary, and enjoyed visiting with them both. We have many memories of talking and laughing with them about the things going on in the neighborhood. We are sorry for your loss.

“ When I think of Mary, I remember the bright, positive roles of Julie Andrews. She reminds me of Ms. Andrews-Mary Poppins, The Sound of Music, etc. I know she will live on in the lives of her magnificent daughters, grand-daughters, and on and on.

“ Karen- you can reach me at the email above, but the best way is to text me at (405) 615-8945. I get so much junk mail and I've been so disconnected with my email since Mom died. I'm having a very hard time with the loss of my parents so close together and Mom dying so unexpectedly! I am in a grief sharing class at my church and I'm starting counseling also. I would love to be able to talk and see how your life is going. Love you, Laurie

“ Karen, Lisa, and Pam- I am so sorry to hear about your Mother's passing. If anyone knows your pain and loss, it's us three girls. Julie, Gina and I lost our Mom suddenly and unexpectedly just a little over 7 weeks ago. We lost Daddy on March 4, 2014, not even a full six months ago. It has been the hardest experience we have ever dealt with. We still are in such a state of grief. We never expected to lose both parents in such a short time. We will certainly understand your grief and all your families will be in our prayers.

Karen, I would love to get in touch with you. I'll leave a private message too.

“ Family, so sorry to hear of Mary's passing. Its just unbelievable. Mary was such a sweet neighbor along with your dad. She will be so truly missed. I know my son and his family Kris, Laurant and Paisley are really going to miss her pies she would bring over to them. If there's anything we all can do let us know. I know the kids will keep a eye out on the house for you all and let Lisa know if something's wrong. You all are in our thoughts and prayers at this time
