“ I loved your mother and grandmother and visited her often to help her with her plants. She loved my son Greg's piano playing and often listened to his music on CD or tape. I'll miss her as you will..

“ Sammy and Kenny, I was sorry to hear of your Mother's passing. Both your Mother and Dad were two of the great folks that helped make mine and a lot of others' childhoods wonderful. Who else would have let a bunch of kids dig a giant hole in their back yard to play soldiers, cowboy and indians in?!!! We all know they are both in a much better world!
