“ Susie,Sena,Juhree, and Michelle.....I felt sorrow when I heard about Mike. He was such a neat individual to be around. Working for him and Louise over the years was always a pleasure. He had such a cute wit about him, with the calmest demeanor I've ever seen in a man. Mike's love for little kids and animals,the simple things in life, was evident. He was a kind man. Thank you all for some really good memories. God bless during this time. Glen

Mother and I spent a lot of time thinking about all the good times he and Daddy had together. Our camping at Beavers Bend plus so many other wonderful times. He was a special man and my favorite uncle. Wish I could be with you. Love You! Linda*
