“ *I have many fond memories of your Mom and Dad both. The last time I spoke with your Dad was at an Indian taco dinner on a Friday noon not many months ago. It was always a pleasure to spend time with him - he always had a smile. And I still use a Christmas towel that your Mom made and I purchased at the church bazaar back in the 70's. I do so appreciate your Mom's teaching my children in Sunday School. I was saddened at Brian's cancer battle but am glad they are all now together with our Father. Blessings to you as you adjust to yet another family member leaving you. Bill got the time of the service wrong - he thought it was 11, so when we arrived, it was obviously too late. Sorry to have missed it.

“ Leschen & family, I am so sorry to hear about Murry Wayne. For as long as I can remember he was at church. I know he struggled the last few months to get there, but he didn't miss many Sundays. He loved God and was so faithful to him. It has been a blessing to know him and he will be missed. But I can see him now with the love of his life, your wonderful mother. I will not be able to be there for his service, but know that you are in my prayers. May God keep you in His care. Love to all of you.
