“ We haven't gotten to see aunt Nelma in way to many years, but I'll always remember the fishing trips at her house and her flying into CA. They don't make many like Nelma and her sisters anymore! We are thinking of you M.

“ What an amazing influence this beautiful soul had on my young mind. Aunt Nelma's laughter was contagious, she enjoyed living! She was the first woman I had seen with red toenail polish, lol. Rest in peace dear Aunt Nelma.
