“ My granny was the most amazing woman i have ever met in my life. She was so strong in her fight with cancer. she was i fighter she would do anything for her kids and grandchildren. She was always there for me no matter what happened. She was my best friend. I would give anything to see my beautiful gradmother again. She didnt live to see me graduate highschool, get married, or even have children but i know she is always watching over me keeping me safe.
