“ Joyce, Sandy and Wayne, what a shock! Just came across this while looking for something else. this saddens me very much. Ollen is a special person to me. I remember all the time he took with me when I was a teenager. dragging me to the broomcorn field. He always stopped and got me a honey bun and a Dr. Pepper every morning and that was my breakfast. Sometimes it takes so little to make an impact on someones's life. I hope all of you are doing ok. Love to you all, Gail
