“ Ouida took care of my Aunt Grace Sawyer and she was a joy to be around. She sent me a Christmas card every year thereafter even though I moved away. She was one of God's angels here on earth. My deepest sympathy to her family.

“ I can remember as a small child getting my first store bought permanent at Ouida's beauty shop. She made me feel so special. My family thought a lot of Ouida and her family. Bless you all in this time of sorrow.

“ Norma Fay and family....Sorry to hear of Ouida's passing. What a unique woman she was. As a disciple of Christ, she knew what her role was, then lived it to the letter. Her life defined servanthood. Although her work here is done, she set an example, like Christ, that anyone who followed, would be better for it. I look forward to seeing Ouida again someday. God bless you all during this time.

“ Ouida taught our Bible class and promoted as our teacher every year when the class promoted. She did this until the boys & girls were separated, and then she went with the girls. I remember how she used pipe cleaner figures in a sand box, doll figures in a gutted television set, and many other visual aids and learning tools. I have used her dedication as a teacher in many sermon illustrations. She was a sweet lady. My deepest sympathy to the family.
