“ I will always remember a Christmas when, expecting nothing, I awoke at Aunt Pauline's house and found a stocking full of surprises. It was like her, even though she didn't have a lot of material possessions, to share everything she had. Even with lots of kids already in the house, she let us stay with her. In the middle of serving dinner to lots of people she found me a plate that matched Patty's because she loved children to be happy in her home, even little spoiled ones. She let me climb the tree with my big boy cousins and gave into our begging to go swimming or to the movies in town. Aunt Pauline was beautiful, her face was lovely, her spirit was lovely and she enriched my life. God bless her and all my cousins. I'm sorry I couldn't be there for the last good-bye. Betty

“ This is a special God Bless to friends and loved ones of my mom, Pauline Stinnett. Thank you for enhancing her life. She never allowed strangers, for she never knew one. Her love for her family encompassed anyone who came near us and I know we, her family, were the most important part of her life. I can't think of anything greater to remember. Mama, I love you and I miss you. Patty, Noel, Christie and Stacy.

“ Though I was only in the family for a short time, I had a deep love for Pauline. She was a wonderful person, always greeting you with a smile. She never let an opportunity go by to express her love for me. The love was a mutual thing. I will miss her sorely, and will always love her
