“ To the Travis Family, Randy and Shelia: I'm so sorry to hear about Ray. I just loved that old gentleman. I know that even after he had his first stroke, it slowed him down a little, but it didn't put him down. He was such a joy to visit with, not to mention such a gifted craftsman with extraordinary talents when it came to rewinding motors...I will miss that Ray, and my thoughts and prayers are with you..God Bless!
