“ Dear Violet: I was best friends with Ray's twin, Faye when she lived in Santa Cruz, CA. My heart is so heavy over the loss of Ray and Faye.<br><br>This morning as I reflect on the change of seasons, I think of the different people who have come and gone in my life: taking root like new spring plants, blooming like summer flowers, ripening like harvest fruit and resting like snow-covered trees. Just as the circle of seasons is vital to renewed life, I accept, and give Holy thanks for, the seasons of my own life. (Anomyous)<br><br>My heartfelt thoughts are with you during these trying times.<br><br>Be blessed. xoxo .T
