“ My Aunt Becky was a special person. She loved everyone around her. I will miss my phone calls every month with her. We had such a good time she meant so much to me it just doesn't seem real. She was such a good hearted person and loved her family so much. I am 45 years old but when she wanted a hug or gave me a hug I was always her 'little reba' she made everyone feel so special. I will miss her very much. I love you Aunt Becky! Reba

“ James, Becky and all the girls & family, I'm so sorry for your loss of mom/dad. Your mom was so beautiful and always laughing when we used to work together at Sonic in Blanchard; and of course with Hudson as well with his upbeat self. Never a boring day with those two. Great memories will forever last. My heart and prayers are with you and your beautiful family. Love you, Jennifer

“ *I am so sorry for your loss of your Mom & Dad. I can only remember all the good times we all had growing up. I can remember all the fishing trips and weeks me, Barbara, Becky, Janice, & Bernice had with our Mom's & Dad's visits. We all had lots of fun when we were kids. I am sure you have heard stories about us growing up together. How your Mom and Barbara and I used to try and sneak off from the two younger girls because we thought they was too little for us to play with and they would outsmart us and be where we were going waiting on us when we got there. We didn't know they could spell. My prayers are with you all in this time of sorrow. Love Beverly*
