“ *Wildcat was a very wonderful friend. He used to come visit Robbie at my house in Konawa, OK He told me he had worked in the oilfield behind my house back in the early 80's. I got to know him over the phone before I actually met him. If Robbie wasn't home I would visit with him. He made me laugh a lot and I needed that back then. My favorite saying of his was He'll make her a great first husband. and This is age on my face not ignorance. I'm so sad to hear about him, he was typical good ol'boy Lindsay.*
