“ Ricky was a dedicated and compassionate man which is a reflection of what his home is like. A loss of such a good man is always difficult to take but believe that God needs a good man in Heaven to look after his family. Ricky was a remarkable man with many talents. I will miss his infectious smile and good hearted nature. I wish all of God's love on the family in this difficult time. God Speed Ricky.

“ Sandy & Family, I am truly sorry for your loss. I've had the pleasure of working side by side with Rick in the 507th, then with him in my computer business throughout the 90's, then with him in the 513th (AWACS) and now in the PMEL area. You see Ricky basically led the way for both our careers through good and bad. If there is anything I can do please please call me. Ricky has made such a huge impact on so many people. The fruits of his actions will be around for years. Sandy, again please let me know if there is anything I can do.
