“ Julie, I am so very sorry for your loss!!I know that no words can make this time any easier but I pray for you and know that God is with you as well as Roy. I helped at the Apache auctions and saw Roy every Friday, he was always so very nice. I lost my only sibling several months ago and he was there the Friday I found out with words of encouragement that helped me to pull it together. I am forever thankful for that. From that moment, I could tell he was an amazing, caring man with a good heart. I know that you have lost so very much and I am so very sorry.If there is anything I can do please feel free to call me 405-863-2734 it would be an honor to help in any way possible. Once again please know that my symphathy, heart and prayers go out to you and your family and Roy will forever be missed by a great number of people all throughout this area. May God be with you throughout this difficult time and help to ease your sorrow.

“ Julie, I don't even know what to say except I am so sorry and I am thinking of you and the kids. Mama called and told me about Junior this morning, and I just couldn't believe what she was saying. I still see him as he was years ago, and although I am getting older, the two of you hadn't aged in my mind. I know the future won't be easy for you, but you can do it if you just take one day at a time. Take care of yourself and know that I am thinking of you. Love you, Diana
