sorry for your loss! When you get a chance, please look up these two sriptures, they have always been a comfort to me and I am sure that they will be the same for you, too. The first one is found at John 5:28. There we are assured that all of our dear loved ones will be reunited with us without the illness or cause of there death to take them away from us ever again. Then at Revelation 21:4, Jehovah God assures us that all that grieves us now will be done away with completely! Take Care!*
