“ Don, Suzanne & family
Just learned yesterday of Jackie's passing...my heart is heavy as she and my mom were the best of friends long after we were neighbors west of Erin Springs...I remember those times so vividly and loved her so much. God definitely picked a rose when he picked her. Love to you all!

“ Trammell Family, My memories of Jackie are most vivid from the 60s and 70s. Following John Arther's death when her hopes for building a home in town were shattered, she sold my mother the property. Mother lived out her life in the home she built here and now I hope to do the same. Jackie provided us a blessing I will never forget. Loved her and love you. Condolences.
