“ I had the honor of getting to be in a TMBS class this past year with Ruth. She was a woman that knew what she believed and was dedicated to Christ her Savior. She was a kind and Godly woman, always knew me when we would meet at Wal-Mart. Our last conversation was about how the prayer shawls would get to the people in the Houston area, concerned about others always. Will miss her smile and twinkling eyes, but no worries about where she is now; heaven. Many prayers for her family she will be missed by many. Cathey Howry

“ Tammie & Ellen, Carolyn told me of your mom's passing. Such a sweet lady, I bet she was a great nurse. I have fond memories of you all through church and Toni being my son's (Cash) classmate. May the Lord comfort and strengthen you through these difficult days.

“ Oh dear Ruth. I was there when you were killed and have been thinking about you since. It was the first time I've visited my family in 7 years. You were the first one hit, we were the third. I'm so glad I finally have a face to put with the name. Godspeed lovely lady, I never knew you but I will always remember you.

“ Ruth, you were such an inspiration to me. From the first time we worked together, you were amazing. You worked circles around all us "young 'uns" and still had a smile at the end of the day. You listened to me cry when I went through my divorce and you helped me through rough times. Seeing you at Walmart a few days before you passed was wonderful, but the news of your passing took me by surprise. You were still going and blowing until God called you home. I love you and will miss you my friend. Until we meet again. P.S. I still tie my shoes like you taught me too!!
