“ *Jeanie, Kevin and family, <br><br> No words can express how sorry I am for your loss. I know that life will never be the same again, however try to remember each and every step you take, take it in Shea's honor. Her memories will live on in our hearts until we meet again. When I think of Shea, I will think of that beautiful, little, dark-haired toddler smiling up at me with a grin that melted my heart. Her life mimics her smile, reaching far into the hearts of all who knew her. <br><br>The light of a distant star continues to reach the Earth long after the star itself is gone. Shea will always be here with you, so watch the sky at night. Look for the brightest star and know that's her halo's brilliant light. <br><br>We love you Shea-Shea <br><br>Ms. Angie <br>*
