“ Everyone that I know complains about their mother in law. I could have never done that. I had the best mother in law. She never once treated anyone bad, she loved us all equally. My memories that i have of her and all the things we used to together will forever hold a special place in my heart. I would like to thank everyone for the kind comments. We know she is up there looking down on us everyday. My oldest daughter said on Friday, Mom, Look at that sunrise, it looks like Grandma Sherry. It was gorgeous, purple clouds with almost red sunrays beaming through. Take the time to appreciate the small things. <br><br>Once again thank you everyone.
