“ To Terry's Family: I'm so sorry to hear about Terry's passing. Although it's been several years since I've seen him, we always enjoyed being comrades with him on the football field and halls of LHS. Terry always wore a smile, making light of any situation; even when Joe T decided we should run a few extra laps around the field for poor performance. I want to express my condolences to you all. God be with you in these trying days
