“ Big Tom was a man whom I liked very well. He was the type of man whom you could joke with and he had a wonderful sense of humor. I will never forgetting cutting his hair and making fun of the way it curled around my fingers.

May God be with you and your family during this time of sorrow.

Love ya very much.

“ Big Tom ! What neat memories....how special he and Jean were to my mom and Dad....How Tom went out of his way to come see me at the hospital when the twins were born. How I so appreciated their friendship to my parents. You will be missed! You and yours are in my prayers.
