“ To Jerry, Sharon, Brock, Lance and family. My heart breaks for you all. Regretfully, I have been unable to obtain leave from work to attend Jason's funeral, so I thought that I'd leave a brief message for you. Jason was a loyal and dear friend while growing up. I have many fond memories of our comings and goings. Having him on the football field provided all of us with a sense of ease knowing that he was going to do his best each and every down. I know that you must all be proud of the man that he became and the work ethic that he carried through his adult life. I wish that I could have known him better in these later years, but am proud that I knew him as good ole Sub. I find comfort in the assurance that he has been embraced not only by our heavenly father, but by my Dad upon his entrance to his heavenly home. I can just see Dad standing there with open arms and Sub with that fantastic grin on his face. Bless your hearts.

“ Jerry, Sharon & family- This will be probably one of the hardest message we have ever left. Darla & I just have so many good memories of the three Jasons & their other brother Jason(Todd Wilson). I still remember the trip we took to New Orleans and Jason went with us. Just had a blast. We never know what God has in mind, but we do know that Jason is in a better place. God be with you during this trying time and we will always keep you in our prayers.
