“ When we first went to the Valley of Texas to Casa Del Sol, Trula and Kermit were the first to greet us Okie's. She was friendly and pleasant to everyone with a smiling face. Trula will be truly missed.

“ I first knew Kermit and Trula when I started to high school in Morrison in the fall of 1957 as Kermit was in his second year as the Vo-Ag teacher. That fall I attended the first of eight Noble County Fairs and Spring Shows that I participated in through my 4 years of high school. Trula was always at the shows helping Kermit support the participating students. I have many memories of fun times with my brother Robert and school friends at the shows. In addition to supporting Kermit with the Vo-Ag activities Trula was always playing matchmaker for the students. Being only in her mid-twenties then, she related to the students and was always a lot of fun at school parties, basketball games, and other activities. I recall when I was graduating in 1961 and Kermit and Trula were leaving Morrison for a new school that Trula was very sad at one of the final school activities - she was crying and I recall my mother comforting her and telling her they would make new friends and be fine at the new school. I had not seen Kermit and Trula since then until a Morrison Reunion a few years ago - we then discovered a mutual interest in Western Swing music and I learned they always attended the annual Bob Wills Week in Turkey TX - they really enjoyed dancing to that wonderful music. Beginning in 2008 we met almost every year at Turkey and had great times including the last one in April of this year - that was the first time my wife Donna attended. We all had good times that week with almost non-stop music - eating breakfast and catfish at the old Turkey Hotel - Donna and Trula shopping at the market. I am so grateful that Trula got to meet and visit with Donna. We extend our heartfelt condolences to Kermit, Theresa and the rest of the family and friends as they go through this difficult time with the sad loss of Trula. “ The world and family and friends has lost a GREAT LADY! Trula was one of the most thoughtful, loving persons we have ever known - she organized many parties at Casa del Sol, Donna TX, our winter home for many years, as well as helping Kermit run one of the best Country/Western Jams in the Valley for 20+ years. She brought much love and joy to all who surrounded her. Her love of ALL CHILDREN is well known; many kids have had a benefactor in this lady. She and Kermit worked with the Hot Peppers who helped donate many toys at Christmas to local families in Texas. she hosted 50th Anniversary Parties at Casa del Sol for the folks married 50+ years, making sure each couple got a special present each year. Many couples enjoyed the special party each year that she organized with loving care! Those of us that worked behind the scene with her had a hard time keeping up with the energy and enthusiasm that went into providing a successful event- but we all did what Trula wanted - provided the best effort for all we honored - whether at parties, Jams, dances, etc - Trula gave her whole heart and soul to the effort. Merchants in the Valley got so they handed gifts to her the minute they saw her coming, for she could charm the most miserly one to hand over an appropriate gift for whatever event she was hosting. I won't even mention Yard Sales with Trula - not enough space to describe doing this with her! It was a special privilege to have known and loved Trula and also her husband - they were a loving and special duo. I am sure she is already organizing parties in Heaven at this very minute!!
