“ Anthony and Pearlee, I am so sorry. Lots of good memories with ya'll in them. Anthony, I don't have to tell you your dad was a good man but he was. It's been years since I have seen him but I still feel like a part of my childhood went with him. It was always an adventure staying up all night hoping to go on a wrecker call. Took a lot of patience to put up with us at 2 am. I will miss him. Take care.

“ I want to extend my sympathy to you and your family. I recall one real bad ice storm and I called Tut and he came to get me but told me the pickup would have to stay for awhile. Tut was one of a kind and I have a lot of respect for him. May he rest in peace on the right side of God.
