“ *I'm sorry I didn't have more time to spend at the celebration of Doc's life. I have only happy memories of time spent in Oklahoma, visiting family. I can still feel the excitement, as a child, when I knew Doc and Geneva were coming to visit. Dad loved all his family dearly, but seemed especially proud of Vearl. And, of course, there's no doubt Vearl was especially proud of his children. Doc made me feel like a true Miner... What a great family. I love you all.*

“ I hated that I was not able to be there during this time of sadness and reflection but please know that I have the greatest memories of Doc and Aunt Geneva coming to visit Ganny and Papa. I've often remembered how welcome and like home I felt at Doc and Aunt Geneva's and only being there a few times they made sure you felt comfortable. I loved listening to their stories and I can still hear Aunt Geneva's voice. I am sorry for your loss and I am also sorry I wasn't able to be there. Love all of you.

“ *Steve, please forgive me if I am asking these questions of the wrong person.

Are you the brother of Annette Miner? I met Annette in high school and she played piano for me at trumpet solo contests. I thought the world of Annie.

I heard that Annette passed away and I was wondering how old she was and if she had a family.

Sorry to hear of the passing of your father. My Dad is still alive and he worked in the oil fields around Lindsay also.

Where do you live now. Hope to hear from you.
