“ Karen...I was saddened to hear of your mother's passing. I thought she could make the best grapejuice cobbler. She was a great lady and very hard worker. She will be missed by all who had the pleasure of knowing her, but God has another jewel.

“ Virgie was a very special lady. At one time in my life when I didn't know if I could go on another day Virgie called and ask me to come with them to the nursing home to play the piano, so I got up and went and to this day I am thankful that she had the insight to know that I needed that call that night. She was one of the sweetest ladies. I enjoyed walking into church and seeing her smile and that quite spirit she had. God bless you all, my prayers and thoughts are with you.
