

## Virginia Margaret Green

August 19, 1918 - December 28, 2018

Virginia Margaret (Ginger) Green was born August 19, 1918, and entered Heaven's gates on December 28, 2018 after her spectacular 100 year life.

A beautiful wife, mother, grandmother, great grandmother and exceptional homemaker, Virginia was an unrivaled cook for mouth watering 'home cooking'. She was not much for cookbooks, but over the years collected a treasure trove of recipes from family and friends.

She loved watching cooking shows, old movies, especially Westerns, and stories about Alaska. She was an avid reader, and amassed quite a library of her beloved books.

Virginia was born to Robert Bruce and Hallie Dean Flaniken in Oklahoma City, OK, and was the oldest of three children. She lived most of her entire life in Oklahoma, with the exception of several years in California during WWII, where she worked on building war planes.

In 1938, Virginia married Nathan Green, her high school sweetheart and the love of her life. They shared 50 glorious years together. They loved the OU Sooners, their lake house, and traveling the United States, Panama, and the Dominican Republic.

Virginia was predeceased by her loving husband, Nathan, and her beautiful daughter, Linda Gayle Green. She was also predeceased by her brother, Robert Bruce Flaniken, and sister, Erleen Martin.

Left to cherish her memory are her adoring daughter, Brenda Bonnelly Tankersley, grandson, Jean-Paul Bonnelly and wife Magdalena, granddaughter Virginia Willemin and husband Eric, three great grandchildren whom she adored, Teggun David Willemin, Nathan Eric Willemin, and Guilianna Marian Bonnelly, very special friends, Debby, Chris, and MacKenzie Bonny, and numerous nieces, nephews and grand nieces and nephews.

Virginia's services will be held at 2 PM on Monday, December 31, 2018 at Greenhill Cemetery in Lindsay, OK.

In lieu of flowers, Virginia has asked memorial donations be made to her grandson's passion of rescuing abandoned dogs and animals in Afghanistan:
