“ Paula and family I just wanted you to know I have loved all of you since I married into the Robertson family. I know Jr. will greatly missed and I always loved talking to him when I would see him around town. He is in a better place now and God will help you through all the trials and grieving that we must go through. I love you Paula and I always will. I love the talks we would have when we got together. Everytime I seen Jr. he would always be smiling. He is in Gods care now. You are in my thoughts and in my prayers. I love you
