“ *Years ago Bronc saved the day when I accidentally sat in my rocking chair and rocked right over the tiny Papillon we were baby-dog-sitting for my granddaughter. We panicked and raced to

Bronc's office, where he treated little Izzy, reassured us we hadn't caused permanent damage, and then refused to accept payment. Your father/husband was a special man, and he will be missed. You are all in my thoughts.*

“ *I had just learned of you loss today. My prayers are with you. I counted him as one of my Sulphur friends. In my first animal science courses, we were told to have a love for the animals. He most certainly did. My Rudder and Sissy will miss him dearly, as I always looked for a reason to go to the clinic to visit about britneys, springers, and boating. Please know that we truly loved him here in Sulphur.*

“ To The Jackson Family, I was able to become acquainted with Bronc and his father through the ROJ. Bronc was always friendly and had time to speak to me about how my life was going. He will be missed and remembered at our next function.

“ I know that you have heard this over and over but I feel that it wouldn't be right if I didn't speak up with the rest of the community about how much we loved and appreciated your dad. He was the kind of man that we all want to be. And I will use the examples he left me to shape my own attitude toward serving others and living life. You kids know that you can always find love and support from your extended family of Lindsay. And that love in no small part is because Bronc Jackson taught us to love each other.

You're in our prayers

“ I had the pleasure of meeting Bronc through the Jesters and enjoyed his fellowship at various Jester activities. He was a great guy and fun to be around. Because of his love for animals, Bronc was a long distance vet for one of my labs. Prayers are being sent your way for peace and comfort during this time of sorrow.

“ Dear Jackson Family, I am so sorry for your loss. Dr. Jackson was our vet ever since he came here. He had been so great with all our pets and always there for us when we needed him. He even went so far as to give me his cell phone once in case I needed him. No one will ever be able to replace him as our vet or in our hearts. May God be with you in your time of need. “ I've not seen Bronc since college days or shortly thereafter. But to all his Delta Chi fraternity brothers, Bronc was clearly and always a real good guy. He was nice to everyone -- even the new guys. He enjoyed life, but was serious about his future. And he knew that humor was a gift he was given to share -- he made us all laugh -- often at him and his laid-back approach to life. While we would never have used this word back in the '70's at Delta Chi, Bronc was truly a sweetheart of a guy as a young man. I'll bet he stayed that way. On behalf of all OSU Delta Chi's everywhere, we extend our sympathies to Colleen and family members, and we thank you for letting us share in Bronc's life and times. God bless you all.

“ On behalf of the Ledbetter Family to the Jackson Family, we want to say how very sorry we are for your loss. Bronc was a shining example of what every man should be. A great person to know and love. Please know you are in our prayers and on our minds. May God bless you and keep you, may he lift his face to shine upon you. He walks with you and knows you trust him.

Heaven was a committment Bronc made long ago, his promise kept and the kingdom awaits him.
