“ *Dear Juanita, Linda, and Danny,

Even though we didn't get to be around Leon very many times in his life, we always had great respect for him and you too, Juanita. We always wanted to get back for a visit after the one we made with Linda & Dean those many years ago when our daughter, Amy was about 5 months old. We never forgot the wonderful time we had that weekend with all of you. Brother Leon was a great influence in our lives as far as his being a faithful member of the Lord's church. Just wish we could have gotten around to visit more often. Hopefully we will meet again in heaven. God be with each of you during this your time of sorrow. May God and great memories (we remember the trips you would tell about with your Dad) bring you much comfort. Love you all, David and Louise*

“ *When I was postmasteer at Bradley, Leon carried the mail out of my office. We had many good talks about the world in general and our Lord. He was one of the best friends I ever had and was one of the best men I ever knew. May all who miss Leon be comforted. He was special.*
